Cachar, Assam

B.Tech. Vth Sem

Subject Code: CS-314

Subject Name: Software Engineering Laboratory

Submitted By:

Name   : Subhojit Ghimire

Sch. Id.   : 1912160

Branch   : CSE – B

2. Refer to your earlier assignment. Imagine various use case scenarios to populate all the data fields (e.g. "Student admission" takes care to input data related to student) and prepare use case diagrams. Please take care to maximize re-usability of use cases.
